29	30	31				

The Year 10 GCSE History classes listened to Holocaust survivor, Mala Tribich, share her experiences of the Holocaust through a webcast on Holocaust Memorial Day, last Friday. Her key messages to young people were to not ignore injustices, and to not tolerate discrimination and racism. She also reminded us that we should remember the Holocaust so that we do not forget the people whose lives were lost during the Holocaust. (February 2017)
