RSPH Youth Health Champions

We are proud to announce that 8 Year 10 students have successfully passed their Level 1 RSPH Youth Health Champions training and assessment. They have now started their level 2 award which they should achieve by Christmas. They can be identified by their green lanyards and photo IDs around the school and will be supporting their peers and younger year groups to access local support for any health concerns they might have. They are:

- Alfie
- Katelyn
- Melissa
- Jamal
- Anais
- Karina
- Qaiyif
- Nitharshay

Our Youth Health Champions Are here to help with **student's health and wellbeing.**
They will help you find the support you need.

This initiative forms part of the broader health in schools work underway in the borough. Buxton school has incorporated the YHC team into our Healthy Schools London Silver award plan to mobilise young people to support and signpost others to local health facilities across the borough.

Four schools within Waltham Forest attended the July session to learn about the principles of health promotion, become familiar with health services available to young people, and plan their own health campaigns. Our young team is planning whole school campaigns on gender inequality, tackling homophobia, bullying, body shaming, consent, depression and anxiety and relationships.

Congratulate them and wish them well if you see them around school. They have all worked very hard.
