

Congratulations to all who entered the Lakehouse Lake Project (LLP) logo competition. There were over 80 entries which is exceptional, all of which were of a very high standard. The designs have created a lot of excitement in the local community - LLP representatives were blown away by Buxton's talent but they also captured the interest of passers-by as the entries were judged. They have generously donated £50 to the school to spend on resources to enhance pupils learning as a thank you for the entries.

The competition winners and their prizes are as follows:

Winning design - Tanvir Shaikh (Y9) - £25.00 prize

Joint second - Raymond La (Y8) - £15.00 prize

Joint second - Patrisia Meteleaga (Y8)- £15.00 prize

Runners up - Caoimhe Mc Mahon (Y8) and Ria Flewitt (Y7) - Chocolates

Other finalists were – Tuhin Shaikh (Y7), Mariam Rana (Y8), Cristina Stancioiu (Y9), Sephora Mbimba (Y9), and Kelsey Bissett (Y8) – Chocolates

Thank you to the Lakehouse Lake Project for this, and the many other opportunities they provide for Buxton pupils and for their generous prizes!
