Dear Parent/Carers,

We will start by saying, what an absolute pleasure it has been to work with you this year. We hope that you would agree that despite the challenges of adjusting to the continued building works we have had so much this academic year to be proud of. When OFSTED visited us they told us what we already knew and that was Buxton was a Good school providing well for the pupils in its care. Our Year 6 and Year 2 SATs results have been strong this year and show significant percentage increases, proving an upward trend. We look forward to receiving our GCSE results in August. Please see the school website in September for details of results. We are really delighted with our pupils and the staff and of course you for all that you do to ensure that your child is successful academically. We are also very interested in your child's happiness at school and we know that the endless activities and initiatives that have been offered by the school this year have helped this to happen. It has been a great year, one that the Buxton family should be proud of. If you would like to offer us feedback about the year please leave this with the main office for our attention. We are always striving to further improve our service to you.

As we go off for our summer holidays, we would like to wish you a wonderful and fruitful summer. The time we spend with our families is invaluable and we look forward to working with you again in the academic year 2018-2019. Below are a few reminders.

Friday 20th July 2018: Please note that our last day of school is tomorrow, Friday 20th July, school will close at 12:30pm. Pupils will be provided with lunch as usual. Our last day will also be a non-uniform day, so pupils do not need to wear their uniform, but they are advised to dress sensibly. A collection for charity will be made.
