Year 1 Annual Newsletter

2018-2019

Welcome to the new school year!

A warm welcome back to the parents and children in Year 1. The children look very smart in their uniforms and we hope this will continue throughout the year.

Our aim is to ensure that the children experience a smooth transition from the Foundation Stage to Key Stage One. The Year 1 curriculum builds upon and extends the experiences that children have had in Reception. Learning through play will continue to be an important part of the school day, and the children will gradually be eased into more formal learning as the year goes on so that they remain motivated, enthused and eager learners.

We hope the positive start to the school year continues and we would also like to thank parents for their support in being punctual. Gates will open at 8:45 so that pupils can access soft start activities; parents/carers can collect their children at **3.15pm**. To promote pupil independence and to enable our children to manage themselves in their learning environment we ask that parent leave their children to walk in to school; adults will be situated around the school premises to ensure their safety.

The team are:

- Ms Albertse:** Assistant Headteacher, Head of Phase
- Ms Parry** Head of Year and Class Teacher (IWP)
- Ms Baptiste:** Class Teacher (ICB)
- Ms Smith:** Class Teacher (IGS)
- Ms Crick:** Teaching Assistant
- Ms Fowler:** PPA cover and specialist P.E. teacher.
- Mr.Umeh:** PPA Cover and specialist P.E. teacher.
- Mr. Jenks:** PPA Cover and specialist ICT teacher.
- Mr Sheehan:** PPA Cover and specialist Music teacher.

Curriculum

Our themes for this year will be:

Autumn 1: Flowers and Insects Science	Autumn 2: The Circus is Coming to Town Art/History/Science
Spring 1 and 2: Time Travellers History	
Summer 1 and 2: Hooray...Let's Go On Holiday! Geography/History/Art	

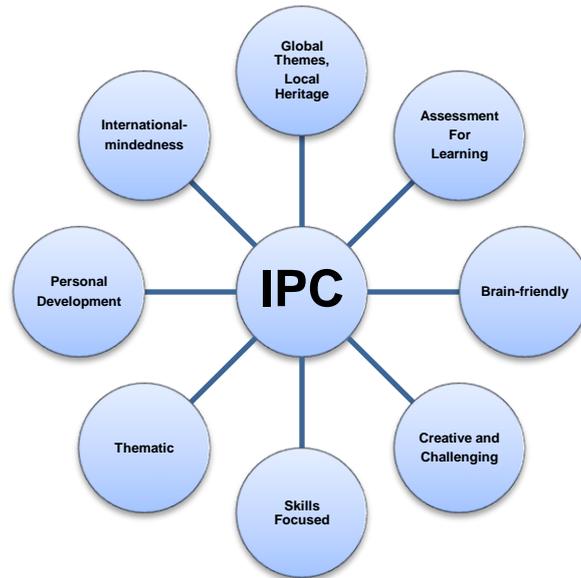

International Primary curriculum: **Blue** indicates the main focus for the unit. Details for wider foundation subjects for each theme will be included in the half termly newsletter.

IPC

The primary phase follows The International Primary Curriculum (IPC) for the foundation subjects. It is an internationally-minded, thematic, cross-curricular and rigorous teaching structure used in over 85 countries.

A 21st century curriculum

- ✓ An international, up to date, comprehensive and future oriented curriculum programme
- ✓ Aimed at primary aged children (3-12) growing up in the 21st Century
- ✓ It nurtures a love of learning and encourages the necessary key skills and personal qualities

IPC units are thematically based. Each theme will last for a number of weeks. Within the time frame of each unit the children will focus on that theme through one particular subject before moving onto another subject.

CLPE

As a 'Power of Reading' school we ensure teachers and children are engaged in the literacy curriculum by using high quality books. It combines an introduction to outstanding 'core books' for teachers and children with an approach to teaching the English curriculum that is creative, engaging and develops a love of literacy.

Homework

Maths and literacy homework is given out every **Friday** and is to be returned the following **week** to the children's class teacher.

Spellings and Phonics- National Curriculum statutory Yr.1 words included in activities in daily phonics sessions and SPAG starters. These are commonly used words and tricky words. Please look out for words to practice in your child's reading folder.

Times Tables- Please practise counting in 2s, 5s, and 10s with your child throughout the year as they will be expected to know their 2, 5 and 10 times tables by the end of Year 1.

Reminders

Uniform: Uniform is kept as simple as possible and some items such as T-shirts and shorts may be bought at reasonable prices at local supermarkets; sweatshirts and polo shirts with the school logo may be obtained from the uniform shop based in the THASC building every Tuesday from 2:55pm. It is also possible to buy our uniform online, please see the school website for further details.

- **Skirts, Shirts & Trousers** – All shirts whether polo or white school shirt must be tucked in at all times for boys and girls.
- **Jewellery**, one small stud (3mm max) can be worn in each ear. A plain watch can be worn but no other jewellery should be visible.
- **Footwear**- All children should wear proper **sensible black school shoes**. In wet weather wellington boots may be worn to and from school, but children should bring school shoes to change into on such days.
- **Hair accessories**-head scarves, ribbons, hair bands need to be plain charcoal grey or purple.

Please remember that all clothing should be **clearly labelled** with your child's name.

PE: Please ensure your child has a full P.E. kit in school; black shorts and a plain black t-shirt/black Buxton logo t-shirt available from the uniform shop on a Tuesday from 2:55-4:00pm. In addition to a t-shirt and a pair of shorts, a pair of trainers or pumps is needed, but these must **not** be the same as the shoes worn to school. In the wintertime children may wear black jogging or tracksuit bottoms. P.E. lessons are on a **Friday**.

Water Bottles: We advise you to provide your child with a water bottle. This must also be clearly labelled and contain only water. This should be taken home daily to be washed.

Behaviour: As you are aware the school operates a 'Good to be Green' Behaviour policy, we have adopted a 5 step system which we believe will assist pupils in making correct choices these are:

- Gold- Pupils will be rewarded for demonstrating exceptional behaviour in and out of school
- Green – It's good to be green – we expect our pupils to stay on green with positive behaviour (we will ensure regular rewards are evident to those that achieve this).
- Yellow – Verbal warning
- Orange – Time with class teacher for not following clear warning
- Red – A 10 minute reflection time that will take place at lunchtime.

Pupils will be rewarded for their positive behaviour with half termly rewards. Parents/carers will be informed of the details nearer the time.

Educational Visits

These are crucial to support the school's curriculum, in order for us to provide our pupils with these opportunities we rely on parents to financially support the cost of visits. Costs are kept to a minimum and public transport is used where possible. We would like to thank you in advance for your support in this.

Parents who would like to accompany pupils on school visits are advised to speak to their child's class teacher.

Birthdays

If it is your child's birthday and you would like to send in sweets or a party bag please be aware that some children will have allergies so we ask you not to send in items containing nuts. Unfortunately we will not be able to accept birthday cakes.

Targets:

For Reading, Writing and Maths the National Curriculum Year Group Specific objectives are used by teachers to inform their planning and assessments. Each class teacher will set targets; this process will involve the pupils and will be shared with parents. Parents' Evenings will also be an opportunity where these targets will be discussed.

Full details of all the curriculum changes and the objectives being taught in our year group can be found using the link below:

Bikes

For health and safety reasons bikes and scooters are not to be ridden on school premises. Please use the bike racks to **lock** them **securely**.

Being Prepared

Please ensure your child comes to school with the equipment that they need to get them through the school day e.g. pack lunches and PE kits. The school office will **not** be able to accept any of these items during the day as this disrupts learning.

Shared Reading

The enjoyment of reading is crucial to your child's success in reading across the curriculum. Therefore, your child will read a range of books throughout the year. The titles are as follows:

Aliens Love Underpants, The Tiger Who Came to Tea, Walking through the Jungle, Little Red Riding Hood, The Enormous Turnip, The Snail and the Whale, Man on the Moon and Up and Down.

We would recommend that you purchase these books and read and enjoy it with your child.

Reading Records

Your child is also expected to read daily and this must be recorded in a reading record. Reading Records are checked weekly; this is to ensure all pupils are reading daily. Parents will be contacted if Reading Records are not completed.
