Welcome back to everyone as we pass the half-way point in the academic year.

Our theme this half term is '**What a Wonderful World**' and we will be linking this with Geography and Science.

Dust off those atlases and globes or go online with your child because we will be exploring different continents and regions around the world, looking at extreme weather conditions, climates and habitats.

We will also be focusing on climate change and ways in which we can all help to prevent global warming.
