An All-Through Learning Community

Newsletter

Friday 14th October 2016

Primary will be closed from Thursday 20th October 2016 and reopens on Thursday 3rd November 2016 due to moving to the new build. Sorry for any inconvenience.

On Friday 7th October, 50 Year 8 students travelled to The Imperial War Museum as part of their study of Literature of War in English. The students explored WW1 artefacts and memorabilia as well as a full sized trench!

This week Year 4 got a chance to share their learning with their families in the Parent Curriculum Presentation. They showcased the hard work that they had been doing in: Numeracy, Literacy and Creative Curriculum. Congratulations on a job well done Year 4!

Top Classes for Attendance last week were

- 3CA with 100.0%
 - 4JT – 99.6%
 - 4GF – 99.2%
 - 1PD – 98.6%
 - 4SP – 98.9%
 - 5SF – 98.3%
 - 6CD – 98.7%
- EXCELLENT NEWS
WELL DONE

Mathematician of the Week

Our 'Mathematician of the week' is Vithushika Rajananthan 7.P!

She has been awarded this for solving higher order Mathematics problems. Solving these problems requires mathematical skills such as working systematically, pattern spotting, reasoning logically, visualising, conjecturing, generalising and proving. Come and have a look in the Mathematics corridor or speak to the Mathematics Department about getting involved. Win a prize and certificate!

KS1 and Year 3 Harvest Assembly

A big thank you to all our parents who came along to see the Key Stage 1 and 2 Harvest Concert.

We hope that you had a wonderful time listening to the beautifully sung songs and listening to the well recited poems. It was lovely to see so many you. Please view the concert and take a look the pictures of the concert on the school's website.

Attendance in Primary School last week was 96.6%

Although above the school target of 96% let us aim higher We need to try harder to get ALL children to school and on time We need to get at least 98% Come on – We can DO IT

Members of STEM Club today extracted their own DNA. They were amazed that in a few minutes they could extract and look at it in a test tube using an easy method.

Sporting News

This week the girls were fantastic and played their best quality of netball. They played against Normanhurst School and the final score was 6-2 to them. It was tough decision for player of the match but a special well done to Tequana and Chloe.

FootBall

Buxton V Frederick Bremer

First half was a bit of a mixed bag although we were losing 3-0 it was not a true score line and the first half was much closer than the score made it out to be but Frederick Bremer's forwards were on target and took their chances when they were presented. The first half finished with Buxton coming together and putting some pressure on the Frederick Bremer team, Buxton started the 2nd half much stronger and it made a difference in swapping Ruemyiah and Tosho. All the boys played well and Kimarley & Damaru played very well at centre backs. Liam was full of enthusiasm and Danny covered nearly all the pitch with his strong running it was a very good 1st game for Vlad and he put in a good performance.

Goals in the 2nd half from Damari and Danny, before allowing Frederick Bremer's forwards into score a fourth set us back a bit but a goal by Liam and an own goal after some good build up play between Muhammed and Liam put us back in the game and at 4-3 I was believing we may be onto a winner but although Alfie made a couple of good saves Frederick Bremer's forwards were a little too strong and more decisive with their shooting and managed to keep their side in front.

A good first half and a brilliant second half saw us lose 6-4 with a very good team effort in a game we were unlucky to lose.

MOM goes to Damaru for a very good display and getting the first goal in our fight back

Well done all of the boys and bring on the next game.
