

Primary will reopen on Thursday 3rd November 2016 due to moving to the new build. Sorry for any inconvenience.

Storytelling

As part of our Black History Month Celebrations Buxton Primary school invited the amazing storyteller Jane Ulysses Grell to come and share her stories with us. She delighted us with a performance of songs and stories from Africa and the Caribbean. We all learned about the importance of rhythm and the history of oral storytelling.

The children danced in their carnival colours to celebrate Black History Month and to say farewell to the current nursery. Parents came and joined in the dancing to help celebrate.

Year 4 Diversity Day

To finish Year 4's topic: "Living Together" where we learned all about our local communities, the students got an opportunity to share and teach each other about their backgrounds and cultures. Students could dress up in traditional clothes, show artefacts from their cultures and share delicious treats from around the world. Thanks to all the Year 4 families for their support with Diversity Day.
