Friday 21<sup>st</sup> October 2016

This week pupils and staff say goodbye to the old Buxton Primary building (formerly Cann Hall Primary School) and to mark its last few days pupils and staff wrote goodbye messages on walls, floors and doors.

This has been another successful term for Buxton students in many different ways but collectively we can all celebrate one particular development at this time; our new building will be ready for Primary pupils after half term. Exactly one year from now the whole new building will be complete and by Spring 2018 the outside spaces will all be finished. We are so lucky to be able to accomplish this without moving off of the site, with everyone moving directly from their current rooms to their new ones once they are complete. May I take this opportunity to thank all of our students, parents, staff and governors for their continued support in ensuring Buxton School goes from strength to strength. Collectively we can achieve so much more than we could ever do alone. Kath Wheeler, Executive Head Teacher

Buxton School will be better equipped to deliver the educational experience suited to 21 century learning. Brand new classrooms fitted with state of the art IT equipment, new sports facilities, Larger Sports Hall, Multiple Multi Use Outside Sports areas, Dance Studio, Community facility hire and Basketball pitches, new food tech and science labs and fully equipped ICT rooms feature within the new building due for total completion in December 2017.

### For Britain, For Us

Inspiration. The seed that grows inside our hearts.  
 But the great potential and power is in the hands of you, our Team GB Athletes.

Fast as a Jaguar, to jumping as a leopard. You as athletes have an inspiration and never ending confidence.

One way or another you are going to conquer!

Your dream of a crowd behind you, supporting you, will be a dream come true!

**You are Us, losing isn't the matter, Winning for your Country and People Is!**

**Red, White and Blue.... Along the blue beautiful sky, fly your winning kite...**

**Pollute the air with your success...and we will have the pride, joy and love – we will be always supporting you!!!**

**Motivation is You... Inspiration is Us... Admiration is Britain...**

So stand up. Medals are written in your destiny. Trace down your dreams, follow your heart. We believe you could be one of the legendary ones...

**Rain victory on...**

Rain victory on Great Britain!!!

**This is how we can start...**

By Tanvir Shaikh (Year 8)

The best people, are the people who inspire others, when they are in need of being inspired.

We can be inspired by friends, Dads, Mums, Sisters & Brothers, even strangers. They may be the same ones who will give you praise and support you.

Soak it up and use it for your best performance.

Never Give up just because of what someone says, use that as motivation to push harder.

You are not disabled by the disabilities you have, you are able by the abilities you have.

Run when you can walk, crawl if you must, just don't give up.

**Winning is not only what it is about, it's about the taking part.**

**It's always an honour to be able to represent your country at the highest level!**

Push yourself because no one else can do it for you—Do it for you, your team and Country.

By Davina Frimpong & Emma Siraz (Year 7)

Year 10 History students went on a Jack the Ripper tour on Tuesday 18th October as part of the new GCSE 'Crime and Punishment' topic that focuses on policing in Whitechapel in Victorian England and the mystery of Jack the Ripper. The students were a credit to the school. Well done. Ms Subhani

## Buxton All Through Attendance

In the UK it is a legal requirement that all children of compulsory school age attend school daily as failure to do this may result in a Fixed Penalty Notice (which is a fine under Section 444 of the Education Act 1996 where a parent fails to ensure that their child attends school regularly) being issued. A Fixed Penalty Notice fine starts at £60 per parent per child and will increase after 28 days if payment has not been received to £120 per parent per child. Ultimately, parents can be prosecuted **in court for their child's non-attendance at school.** Buxton School continues to monitor attendance actively and, as such, we have asked the Borough to issue Fixed Penalty Notices to parents who have chosen not to send their child to school for a variety of reasons, ie, unauthorised holidays or unauthorised absences. Please be reminded that if your child is absent, it is your responsibility as the parent/carer to inform the school on the same day and each day of absence unless informed otherwise. We will require medical evidence where your child has been absent for three (3) or more consecutive days.

## ARTIST OF THE WEEK

Our 'Artist of the week' is Omarion in Year 7.T.

He has made a very detailed papercut of the London skyline.

Come and have a look at the piece which is on display in T22 and speak to the art department about getting involved. Win a prize and feature in a weekly art bulletin.

## Mathematician of the Week

Our 'Mathematician of the week' is Adnaan Mudhir 7.P!

He has been awarded this for solving higher order Mathematics problems. Solving these problems requires mathematical skills such as working systematically, pattern spotting, reasoning logically, visualising, conjecturing, generalising and proving.

Come and have a look in the Mathematics corridor or speak to the Mathematics Department about getting involved. Win a prize and certificate!
