Dear Parent/Guardian,

Re: Lateness to school

I am writing to inform you that from Monday 31st October 2016 we will be implementing a late gate. Pupils who arrive after 8:35am will have to attend an afterschool detention for 30 minutes on the same day. Failure to do this will result **in pupils having to complete an hour's detention the next day. Refusal to attend** after school detentions will result in a meeting with you and a Saturday detention for the pupil.

When pupils arrive late, they miss out on essential instructions given at the beginning of the lesson. This can significantly reduce achievement, regardless of academic ability. Your child may also feel awkward arriving to the classroom when everyone else is settled. Furthermore, when one pupil arrives late, it disrupts the entire class and the teacher – **everyone's education is compromised.**

Please support us by reinforcing the importance of being on time with your child. If there is anything that I can do to support your child getting to school on time, please do not hesitate to contact me.

Yours faithfully,

Ms McKinson
Interim Assistant Headteacher

Extract from
'When Ships Sink'

By Imogen Whelan, 7S

Life so far has been filled with nothing but disappointment. Every day looking out of my bedroom window, I'd stare at the sea front near to where I lived, wondering who or what was lurking underneath the waves. Seeing all of the unique ships that sailed effortlessly across the shimmering turquoise waters every morning was the highlight of my day.

Hoping a few of the crew members would notice me, I would vigorously wave both of my scrawny little hands but only the sea seemed to wave back.

When this finished I'd ask my mother to give me permission to go to the beach, but "no" was always the answer. Boredom is the meaning of my life; there has to be something in this lonely world for me to do or even be!

ARTIST
OF THE
Week

Our 'Artists of the week' are Polia and Briyanna in 8G.

They have finished their 'me' portraits to an incredible standard, so good we couldn't pick just one winner! Well done girls!

Come and have a look at the drawings which are on display in T22 and speak to the art department about getting involved. Win a prize and feature in a weekly art bulletin.

Mathematician of the Week

Our 'Mathematician of the week' is Muhaimin Farhan Ahmed 7.T!

He has been awarded this for solving higher order Mathematics problems. Solving these problems requires mathematical skills such as working systematically, pattern spotting, reasoning logically, visualising, conjecturing, generalising and proving.

Come and have a look in the Mathematics corridor or speak to the Mathematics Department about getting involved. Win a prize and certificate!

Every Monday after School in M24

First week back after half term and a great start to the girls football season for both our Year 8 and Year 10 teams.

The Year 10 girls results were:
Buxton Vs Walthamstow for Girls 1-0
Buxton Vs Heathcote 0-4
Buxton Vs Lammas 0-2

All the girls played fantastically and with great determination but a special mention to the players of the match who were, Lauryn for her goal keeping saves throughout the matches and to Gloria for always putting pressure on opponents and making great tackles. Well done girls!

The Year 8 girls results were:
Buxton Vs Heathcote 5-1
Buxton Vs Kelmescott 6-1
Buxton Vs Lammas 4-3

Well done to the Year 8 girls who won all their three games this week. Each team they played seemed like it was going to be a tough match but all our girls stepped up their game and worked incredibly as a team to achieve the win. A special mention to Larissa who played like a premier league goal keep jumping all over the goal saving every ball being shot her way.
