Friday 10<sup>th</sup> March 2017

The Year 10 Drama students will be performing at the Barbican Centre on Tuesday 14th March as part of the Barbican Box Project. This will be the third year that students from Buxton have had the opportunity to perform on the stage at the theatre, supported by a professional stage crew. The day itself is a fantastic experience, performing alongside other schools and colleges who are taking part in the project. The pupils have been devising their own piece inspired by the play 'Angels in America' and influenced by the ideas of the theatre director Ivo Van Hove. Their piece is called 'Fear, Change, Sexuality'. 'Break a leg' Year 10 Drama and enjoy the day. Ms Palumbi

#### Excellent news

We still need more classes to achieve our target of 100% – please try and arrive by 8.45am in the playground as this will allow your child to meet and play with their friends prior to starting their school day and not be late. Lateness causes disruption to your child's learning, classes and to staff

Your children will be cared for by a qualified team of staff who will offer a relaxing, stimulating and safe environment. Children will be placed in age appropriate small groups and managed by keyworkers. Activities and stimuli will be delivered via the seven areas of learning within the EYFS (Early Years Foundation Stage) framework which include;

Communication and language - physical development - personal, social & emotional development - literacy - mathematics - understanding the world - expressive arts and design
