Our Buxton VIP pupils deliver exceptional work on a daily basis and we are proud of them. These are our extraordinary VIPs for the month of February.

School Calendar

March 2017

Thursday 16th

Year 8 Parents Evening
 4.00pm - 7.00pm

Thursday 30th

Year 11 Parents Evening
 4.00pm - 7.00pm

Friday 31st

Last day of Term

April 2017

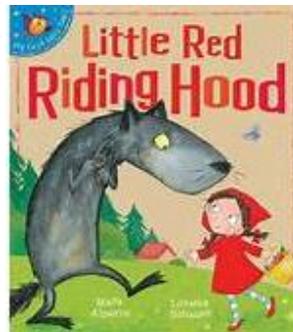

Tuesday 18th

Inset Day
 Years 6 & 11 in School Only

Wednesday 19th

All pupil in School as normal

Author Loretta Schauer will be visiting Buxton Primary on Wednesday 1st March. She has illustrated and written lots of amazing stories and will be sharing these with all of the children. In addition to this, children will get the opportunity to create their own monster characters and practise their writing skills! Loretta will be available after school for a Key Stage One book signing (but any year group is welcome!) where you can buy her books and get them personally signed. Try to come along!

Congratulations to the Winners of the 2017 UKMT Intermediate Maths Challenge

A big congratulations to Year 10 and year 9 students achieving outstanding results in UK Intermediate Maths Challenge. These students worked really hard for this competition.

Congratulations to Wasimah Tahsin, Nessrine Chergui, Lahnee Haines for winning gold certificates. Congratulations to Murtaza Rasool, Raya Palazowa, Gloria Ajagbe for winning silver certificates.

Congratulations to Tanvir Sheikh, Qaiyif Khaled, Besar Krasniqi, Wiktorija Marszalek, Eren Burmali for winning Bronze certificates.

The UKMT (Mathematics Competition) is now one of the UK's largest school-based competitions, attracting 650,000 entrants from 4500 schools from all over UK.

Take a look at our new 'Reading Lunchtime Trolleys'. During lunchtime, children will be able to snuggle up with an exciting book. We used our commission from the Scholastic Book Fair to fund this initiative so a big thank you to everyone who brought a book!

The mystery's of King Tut's tomb by Ibtesaan Anwar Year 4

Dear diary,

Before I entered I saw this riddle in hieroglyphs saying "Death shall come on swift wings to he who disturbs the peace of the king." After reading the curse I felt petrified. The entrance of the tomb looked colossal as I was entering.

I've entered into King Tut's tomb. I'm so exhausted. In the blink of an eye, I was lifting up the layers of King Tut's tomb then I saw phenomenal gold surrounding the tomb. I was mesmerised by the beauty of the tomb.

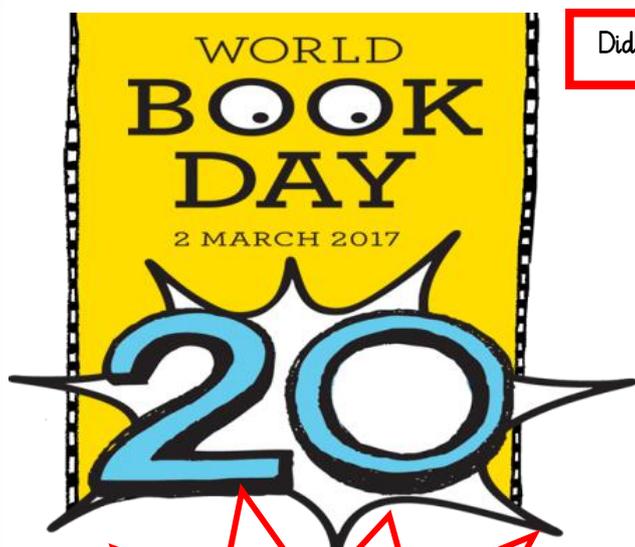

Mathematician of the Week

Our 'Mathematician of the week' is Rachel Billings 8T!

She has been awarded this for solving higher order Mathematics problems. Solving these problems requires mathematical skills such as working systematically, pattern spotting, reasoning logically, visualising, conjecturing, generalising and proving.

Come and have a look in the Mathematics corridor or speak to the Mathematics Department about getting involved. Win a prize and certificate!

Look out for the £1 book token that your child will be given! It can be exchanged in participating bookstores for selected books

Did you know: World book day celebrates its 20th Birthday this year?

This year world book day will be on Thursday 2nd March 2017! The school will be celebrating in lots of fun ways and we are asking Primary children to come to school dressed as a character from their class' gifted book written by our guest author Loretta Schauer. Please ask your child which book their class was given and encourage them to dress as one of their favourite characters. There may even be a prize for the children who have put in the best effort!

So banish those Spiderman costumes and welcome new character costumes.
